

Volunteer Registration and Medical Disclosure Form

DPIPWE is committed to protecting the health and safety of volunteers who undertake activities within the Department. In order to meet 'duty of care' obligations the volunteer is required to complete this form. The information provided is intended to assist managers in identifying relevant medical and safety issues associated with the volunteer's involvement in the activity.

Workplace Health and Safety Regulations 26(2) and 26(3) relates to personal medication and health conditions that may affect the safety of the volunteer or other persons in the workplace.

The volunteer will be responsible for advising their manager/supervisor of any change in their health or medical status. A new form must be submitted whenever a change occurs and is to be reviewed by the volunteer's Manager or Supervisor prior to ongoing involvement in the activity.

Volunteers, who have restrictive medical and/or dietary requirements, may be requested by their Manager or Supervisor to seek medical approval prior to participation in the volunteer activity.

Privacy Statement

Any personal information you provide is collected for the purpose of responding to you or for improving the service offered by this department. Your basic personal information may be disclosed to other public sector bodies where necessary for the efficient use and storage of the information. Your personal information may be disclosed to contractors and agents of the Department, law enforcement agencies, courts and other organisations authorised to collect it. Personal information will be managed in accordance with the *Personal Information Protection Act 2004* and you may access your personal information on request to the Department of Primary Industries, Parks, Water and Environment. You may be charged a fee for this service.
