

# BRUNY ISLAND MARINE DEBRIS CLEAN-UP SATURDAY 18 AUGUST, 2018

Join the D'Entrecasteaux and Huon Collaboration, and help us protect our waterway's biodiversity, liveability and productivity

- ✧ Celebrate our natural diversity
- ✧ Experience our stunning estuaries
- ✧ See the unique plants and animals
- ✧ Take action to improve the condition of our environment
- ✧ Be a part of the solution and protect our waterway

The D'Entrecasteaux and Huon Collaboration (DHC) is an innovative, collaborative partnership between industry, government and natural resource managers in south-eastern Tasmania

To register for the Marine Debris Clean-ups, contact D'Entrecasteaux and Huon Project Officer, Amelia Fowles 0406 868 910 / [afowles@nrmsouth.org.au](mailto:afowles@nrmsouth.org.au)

Australian Government

National Landcare Program

This project is supported by NRM South, through funding from the Australian Government's National Landcare Program.
