EMAIL
memberservices@wildcaretas.org.au**

A WILD AND OPEN GATHERING

Wildcare Tasmania is a powerhouse team of volunteers and donors supporting the care and conservation of Tasmania's wild places, wildlife and cultural heritage.

It offers us the opportunity to follow our hearts by getting our hands dirty, restoring both the land and something of our own wild spirit.

What does it take to stay optimistic and resourceful in this world of environmental change?

What ignites our creativity?

How do we sustain our efforts?

You will experience high productivity, shared leadership, genuine community and playful involvement.
