The constitution of Wildcare Tasmania Incorporated is amended as follows:

Amendments of the constitution of Wildcare Tasmania Incorporated

1 After subrule 19(5)

Insert:

(5A) A member of the Association who is a natural person under the age of 16 years is not entitled to vote on a motion at the meeting.

Note: Another member's entitlement to vote on the making or management of an arrangement in which the member has an interest may be affected by subrule 29(4).

[In connection with the introduction of child/youth membership of the Association, this amendment is to prevent members under 16 from voting at general meetings of members of the Association.]

2 Subrule 19(6)

After "Association", insert "who is a natural person".

[In connection with the introduction of corporate membership of the Association, this is to ensure that corporate members of the Association are not prevented from appointing proxies to cast those members' votes at general meetings of members of the Association. Corporations can act only through natural persons doing things on their behalf.]
